

HANCOCK COUNTY OPIOID SETTLEMENT FUNDING APPLICATION

The County of Hancock has and expects to receive additional funding from legal settlements with various entities in the pharmaceutical supply chain for harms alleged in the “Opioid Lawsuits.” The funds received are commonly referred to as the “Opioid Funds.”

The intended uses of Opioid Funds are limited to specific purposes according to the *West Virginia First Memorandum of Understanding*. The Memorandum generally classifies these purposes as: Education; Emergency Services; Prevention; Intervention; and Rehabilitation.

Any interested and appropriate entity may seek funding the County’s Opioid Funds for these purposes, The entity seeking such funding must, at a minimum, answer the following:

1. The entity’s full legal name and FEIN.

2. The entity’s address, email and phone number.

3. The names of the entity’s Board of Directors, Officers, or members.

An additional way is to access by internet search for “West Virginia Opioid Settlement Memorandum.” A copy of the Memorandum is hosted on the West Virginia Attorney General’s website, It is also available at: <https://wvfirst.org/memorandum-of-understanding/> or <https://nationalopioidsettlement.com/states/west-virginia/>

- 4.** Please describe the proposed project and how it fits into one of the five categories of Education; Emergency Services; Prevention; Intervention; and Rehabilitation. Attach additional sheets as necessary.

- 5.** Please estimate the proposed project's overall cost.

- 6.** Please describe any other funding sources sought, including any alternative or future sources of Opioid Funds, such as the county or West Virginia First Foundation, Inc.

- 7.** Please state the monetary amount requested and terms; i.e., lump sum or recurring.

- 8.** Please describe how the award is expected to further the project.

9. Please state what additional services, partnerships or assistance requested from the County related to the project.

Applicants are encouraged to prepare and provide a funding, project, or nonprofit business plan. Any applicant seeking significant funding that does not provide a plan may be summarily denied.

Funding decisions are made by the Hancock County Commission. The Hancock County Commission may request an applicant to appear at a meeting to present its request and answer questions. If an applicant's representative(s) does not appear upon request, the Hancock County Commission may deny the application.

If funds are awarded, the applicant/grantee is expected to provide regular quarterly updates to the Hancock County Commission or otherwise at the reasonable request of the County Commission. Updates should be written unless the Commission or the award terms require an appearance.

At a minimum, the update should include the amount of funds awarded, the amount of funds spent, and any information describing the progress towards the purpose of the award. The Hancock County Commission may request other such information as is deemed necessary.
